

# Basic Controls Smart Style

Controls are for when you're on the left (1P side) and your opponent is on the right (2P side).

## Directional Buttons / Left Stick Controls

## Basic Controls

Button	Action	Explanation
□ Button	Punch	Light punch when pressed on its own. Heavy punch, crouching light punch, or crouching heavy punch when combined with $\blackrightarrow$ , $\black\downarrow$ , or $\black\leftarrow$ respectively.
× Button	Kick	Light kick when pressed on its own. Heavy kick, crouching light kick, or crouching heavy kick when combined with $\blackrightarrow$ , $\black\downarrow$ , or $\black\leftarrow$ respectively.
△ Button	Special	Press on its own or combine with a direction ( $\black\leftarrow$ , $\black\downarrow$ , or $\black\rightarrow$ ) to vary between special moves.
○ Button	Smart Combo	Press repeatedly to perform smart combos. Press with $\black\downarrow$ to perform Smart Combos from a crouching position.
R1 Button	REV Guard	Perform a REV Guard, just like in Arcade Style.
L1 Button	Throw	Perform a throw. Press with $\black\leftarrow$ to do a backward throw instead. (Also works with □ ×). Nothing will happen if pressed in the air.)
R2 Button	REV Blow	Press while jumping to perform a midair REV Blow. (Also works with ○ ×). Nothing will happen if pressed in the air.)
L2 Button	Dodge Attack	Use L2 on its own for a Low Dodge Attack. Press $\black\downarrow$ at the same time for a High Dodge Attack.
